IMPORTANT: This issue contains important operating information for all users of RSTARS and ADPICS. Please distribute promptly.

In this issue:

- **MAIN FACS SOFTWARE MODIFICATION – NON G/P RESOURCE DISPOSITION BALANCES REPORT (DAFR6400)**

The following modification will be in production on Thursday, March 6, 2008:

MAIN FACS SOFTWARE MODIFICATION – NON G/P RESOURCE DISPOSITION BALANCES REPORT (DAFR6400)

The Non G/P Resource Disposition Balances Report (DAFR6400) has been enhanced by adding a new Special Select option. OFM will add “AF” in the Special Select 2 Low Range field so that only selected appropriated funds appear on the report.
